Description/Reason for Project:

Lambton/Erie: New magnetic hold open devices and electrical cabling will be installed within the 1st and 3rd floor corridors at the junction where Lambton Tower meets with Erie Hall. Assistance from UofW Electrician will be required to tie-in devices with the building fire alarm system.
Leddy Library Main: New column-style accessible door actuator will be installed in the interior vestibule door. Upgrades to the accessible man-door and new column-style door actuator located in the first floor lobby will be worked on.

Contractor: R.C. White Ltd. **Phone #:** Ted: 519-791-7782

Contractor/Project Managers: Ted Byrne/Joe Maitre **Phone #:** Joe: 519-999-6518

Should you have any questions or concerns, please contact

Project Administrator, Emmeline Ventimiglia: 519-253-3000 ext. 2160 or emmelin@uwindsor.ca

Notes:

Fire alarm tie-in will be performed by Troy Life & Fire Safety. Assistance with UofW electrician will be required to confirm fire alarm loop and to call out the system. Request has been submitted to REPAIR@uwindsor.ca for 9am on Monday, November 6.
